OUR POLICY

WHAT OUR POLICY WILL DO

For Example—Mr. Burton had a \$1,000.00 Policy and lost his eyesight as a result of illness (or accident). He received \$1,000.00 cash—he did not have to pay premiums any longer—when he died his Beneficiary received \$1,000.00.

Burial

20 Year Term

Health & Accident

Accident

Premiums Payable Weekly, Monthly, Quarterly, Semi-Annually or Annually.

The total paid under his Policy was \$2,000.00. If Mr. Burton had lost an arm and a leg, both arms, or both legs, the same would have applied.

If Mr. Policyholder dies in an accident, the amount would not be \$1,000.00, but \$2,000.00 instead. The above is a brief story of most of our Policies which are unsurpassed.
